ABSTRACT

This reference circular lists Bibles and sacred texts of many world religions, in a variety of languages, translations, and versions, that are available in special media. Commentaries, concordances, liturgies, prayer books, hymnals, and magazines are also listed. Priority was given to citing complete works; portions of works are listed if they are unique in availability, narration, or medium. Braille is grade 2 unless otherwise noted, and large print is 14-point unless otherwise stated. Full-text electronic resources are also listed. The first section alphabetically lists organizations and companies (with contact information) that provide individuals with a visual disability materials that are free, on loan, or for purchase. Prices of the materials listed are subject to change. Subsequent sections list materials, with their book numbers, available through the braille and talking-book program of the National Library Service for the Blind and Physically Handicapped, Library of Congress. Indexes are arranged by subjects, media, versions and translations, and organizations that publish religious magazines. A list of other reference circulars and bibliographies available from the National Library Service for the Blind and Physically Handicapped are included. (Contains 13 references.) (AEF)

Introduction

This reference circular includes Bibles and sacred texts of many world religions, in a variety of languages, translations, and versions. Commentaries, concordances, liturgies, prayer books, hymnals, and magazines are also listed. The information is taken from descriptive brochures provided by the publishers and suppliers of the items cited.

In preparing this listing, priority was given to citing complete works. Portions of works are listed if they are unique in availability, narration, or medium.

Braille is grade 2 unless otherwise noted. Large print is 14-point unless otherwise stated. Full-text electronic resources are also listed. Some price variations among like items are due to differences in binding. Prices are subject to frequent change and should be verified with suppliers before ordering. Additional details about any of the items listed should be obtained directly from the suppliers.

The first section lists organizations and companies that provide material to individuals with a visual disability free, on loan, or for purchase.

Subsequent sections list materials, with their book numbers, available through the braille and talking-book program of the National Library Service for the Blind and Physically Handicapped,
